

3 - Nagoya has more than twice as many people as Sendai.

1. 以下の会話文を見ましょう。

A: How many people live in Sendai, Miyagi?

B: I think about one million (1,000,000) people.

A: How about in Nagoya?

B: About two point two million (2,200,000) people.

A: So Nagoya has (more than) **twice as many** people **as** Sendai.

B: That's right.

この章では、下記のパターンを中心に学びます。

(twice) as (large) as... (形容詞において)

(twice) as much (land) as... / (twice) as many (people) as... (名詞において)

2. 以下のストーリーを読みましょう。

Hi,
I'm Sarah.

And I'm
Claudia.

We love shopping, but we live in a small town, and there is only one shopping mall. We call it "**the sad mall**," because there aren't many shops and the atmosphere is kind of depressing. For really good shopping, we have to drive about 90 minutes to a big mall. We call this mall "**the happy mall**," because the atmosphere is really fun and the shopping is great, so we are happy. Today is Sunday. It's 2:00 p.m. and we want to go to the mall. But which one should we go to?

the sad mall

the happy mall

3a. それぞれのモールの特徴を読み、exercise 3b の空欄を埋めましょう。
