2b. A Terrible Day

CD2 Tr.23

I woke up (late) this morning. It was already 9:00 a.m., and my job started at 8:30. So I jumped out of bed and accidentally knocked over the lamp. It broke into many pieces. Anyway, I ran out the door and tried to catch the bus but I couldn't, so I took a taxi. Traffic was very bad. And when we finally got to my company, I realized that I didn't have my wallet with me so I couldn't pay the fare. The (taxi) driver got really mad. He started velling at me and I started yelling at him. A policeman was nearby and he came over to see what the problem was. But I didn't see him. I was so angry with the taxi driver that I tried to (hit) him but I hit the policeman instead. He took me to jail) **Oral Reading** What a terrible day!
